---

The parties to the above-entitled action hereby submit this status report and joint request to extend the date of the case management conference in the above-entitled matter.

#### BACKGROUND

The plaintiff is a lawful permanent resident of the United States. He filed an application for naturalization with the United States Citizenship and Immigration Services (USCIS) on September 27, 2002. The USCIS interviewed the plaintiff on his naturalization application on August 5, 2003. The USCIS has not yet adjudicated the plaintiff's naturalization application.

The plaintiff filed a mandamus complaint on September 1, 2006, asking this Court to direct the USCIS to adjudicate the plaintiff's application for naturalization within 20 days. The defendants filed and served an answer to the complaint on November 14, 2006. A case management

1 conference was held on March 7, 2007.<sup>1</sup> At that time, this Court scheduled a further case  
2 management conference for June 13, 2007, at 10:30 a.m.

3 **STATUS REPORT**

4 Counsel for the defendants, Assistant United States Attorney Edward A. Olsen, was informed  
5 by the Federal Bureau of Investigation (FBI) on May 9, 2007, that the FBI had completed the name  
6 check for the plaintiff and that the name check result was being forwarded by the FBI to USCIS.  
7 As of June 6, 2007, USCIS – San Francisco had not yet received the name check result from the  
8 FBI. Both USCIS and counsel for defendants are attempting to figure out why USCIS has not yet  
9 received the name check, and anticipate that through their efforts the USCIS – San Francisco will  
10 receive the name check result shortly.

11 **JOINT REQUEST TO EXTEND THE DATE OF THE CASE MANAGEMENT  
CONFERENCE**

12 In light of the fact that the parties believe that USCIS will shortly have the name check result  
13 from the FBI and that this case may soon be moot, the parties respectfully ask this Court to extend  
14 the date of the case management conference by an additional 60 days. If the case does not become  
15 moot, the parties will file a supplemental joint case management conference 7 days in advance of  
16 the re-scheduled case management conference.

27       <sup>1</sup>The case management conference was originally scheduled for December 1, 2006. In  
light of the reasonable likelihood that this case could be administratively resolved within sixty  
28 days, the parties filed a stipulation to extend the date of the case management conference, which  
this Court granted. To date, the case has not been administratively resolved.
